INTRODUCTION: Resident Freshman Parking Waiver Petition Form

Students who wish to petition for a waiver may do so by completing and submitting a Resident Freshman Waiver Petition Form and other supporting documents. Documents must be submitted to the Office of Parking and Transportation Services (PTS) or may be sent electronically to the freshmanParkingWaiver@odu.edu email address. Submitting a request for a waiver does not guarantee approval nor should acceptance of the request by OHRL be construed as a commitment to approve the waiver.

Students who can demonstrate a compelling need or who would suffer undue hardship due to the restriction on residential freshman cars can petition for a waiver. Waivers are reviewed by a committee made up of staff and students and will be kept to an absolute minimum.

Waiver Request Exceptions

- Off-campus employment (minimum 20 hours)
- Medical
- Extenuating Family Circumstances
- University Obligation or Commitment

Waiver requests must be approved prior to bringing the vehicle to campus. If approved, the student will be able to purchase a permit for the academic year. To submit a request for a waiver, students must complete the online waiver request form.

After the waiver request deadlines, the application process is closed.

Submit waiver requests through the freshmanParkingWaiver@odu.edu email address:

DOCUMENTS REQUIRED:

1. **Off-campus Employment** - Waivers will be granted in this category on a very limited basis. Waivers should include a signed, notarized letter on company letterhead from employer stating days and hours of employment. Letter shall include employer's telephone number. A current payroll stub may also be required. Students must show 20 hours/week of regular, scheduled employment.

3. **Extenuating Family Circumstances** - requires a legitimate written justification stating the reason for exception and all supporting documentation to positively establish your case.

4. **University Obligation or Commitment** – requires a letter from a University sponsor/coach/instructor stating the University obligation. Such obligations include athletic, band, internship, class participation off campus, etc.

The resident decal allows parking at designated locations. The resident decal is available for resident freshmen who have obtained permission to have a vehicle registered on campus. It is important to note that no student under consideration for an exception should bring a vehicle to campus until approval to purchase a resident decal has been granted. Please allow two (2) weeks for the approval process.

**Rationale: Resident Freshmen Parking Waivers**

In our efforts to support the continued growth and development of Old Dominion University and to facilitate the goal of a pedestrian-friendly, residential campus, resident freshmen will be restricted from parking vehicles on campus. A limited number of exceptions to this policy may be granted. Exceptions are granted on a yearly basis with restricted deadlines established during the year.

**Definition:** A Resident Freshman is a student living on campus who is in their first year of college. Non-traditional freshmen are 21 years or older. Non-traditional freshmen do not fall under this policy.
