Fellowships

The Virginia Space Grant Consortium (VSGC) provides $6,000 graduate research fellowships to students majoring in STEM disciplines (Science, Technology, Engineering and Math).

Fellowships require students to participate in a faculty-mentored research experience that aligns with NASA’s mission.

Awardees are required to use $1,000 from the Fellowship to support travel to related conferences and for research-related supplies and materials.

Awards are renewable for one year for students making satisfactory academic and research progress. Allied Health Science Majors are not eligible for this program.

Eligibility

- U.S. citizen
- Graduation date no sooner than May, 2021
- Conducting research that supports NASA’s mission
- Grade point average of at least 3.0
- Must be receiving matching funds of at least $6,000 from applicant’s academic institution
- Enrolled as a full-time graduate student at one of the Virginia Space Grant Consortium member institutions:
  - The College of William and Mary
  - Hampton University
  - Old Dominion University
  - University of Virginia
  - Virginia Tech

About the VSGC

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions representing diverse STEM education and research. VSGC offers a wide range of student opportunities including fellowships, scholarships, internships, research experiences, and student flight projects.

How to Apply
