Recognizing the vital role of Student Engagement activities in the success of our students, from recruitment to graduation, the University encourages student organizations to offer activities utilizing a virtual platform. Activities that are critical to the mission of the organization may be held in-person, but must be held in accordance with the following guidelines:

- All student organizations events must be held on campus or virtually.
- All attendees must wear face coverings for the duration of the event. *Exception: apply.*
- Attendance is limited to members of the ODU community – currently enrolled students, faculty, staff, and current organization advisors/coaches.
- Organization advisors/coaches must be present for the duration of all in-person events.
- Six (6) feet of physical separation must be maintained between attendees throughout all events. The physical separation distance increases to ten (10) feet for activities that produce increased respirations.
- Gatherings are limited to the lesser of 50% of the facility occupancy load or
  - Phase I – 10 people
  - Phase II – 50 people
  - Phase III – 50 people
- Travel and off-campus trips are suspended until further notice.
- Catering – during Phase I and II, food service for student events must consist of pre-packaged individual meals or foods that are plated and served by food service staff. Self-serve buffet food lines with monitoring by food service staff are allowed in Phase III.
- All tabling events must be held outdoors regardless of day, time, and location.
- Group singing including performances and congregant/audience singing is prohibited.

**Guidelines for Recreational Activities and Non-Athletic Sports**

- During Phase I, Recreational Sports activities will be limited to individual skill development or conditioning. During Phase II and III, team-based skill-building drills in small cohort groups, up to 10 people, is allowed; however, contact is not allowed.
• For both indoor and outdoor sports there are limitations on the number of people who can participate based on the current Phase status of the Commonwealth.

• Spectators are not allowed to attend indoor activities.

• The swimming pool will be closed during Phase I. The pool will be open for open swim, exercise and instruction during Phases II and III.
