STC Flyer.pdf;

Dear Colleagues:

An important part of helping our students be successful is encouraging them to take advantage of resources such as tutoring. The Science Tutoring Centers (STC), formerly known as the MSRC, serves as the hub for tutoring resources within the College of Sciences. The new website is www.odu.edu/sci/stc, and we encourage you to send students to the website to learn more about the STC.

Tutoring:

We offer free tutoring and connect students with the tools to be successful. **Please encourage students to seek out tutoring resources early and not wait until they are having difficulty with courses.** Our team of dedicated tutors are available to assist students with no appointment necessary. The STC offers online tutoring support as well.

We have several different tutoring centers around campus, as follows:

- **Biological Sciences & Psychology** Tutoring Center located in the Perry Library Learning Commons room 1312.
- **Chemistry** Success Center located in the New Chemistry Building room 1006.
- **Computer Science** tutoring located in the Computer Science Undergraduate Resource Center (CSURC) in Dragas Hall room 1102.
- **Ocean & Earth Sciences** and **Physics** Learning Center (PLC) located in OCNPS Room 214
- **Mathematics & Statistics** Tutoring located in the Visual Arts Building (VAB) in the following rooms:
 - Applied Calculus Lab, Room 1008
 - Calculus Lab, Room 2016
 - ODU Smart Room, 1011
 - STAT Lab, Room, 1010

For information on Math Tutoring visit the Math Department Website: odu.edu/math/help or email smartroom@odu.edu

Other Resources:

Supplemental Instruction (SI) is available for Biol 121 & Psyc 317.

Open Lab Sessions for Biol 250 are available on Mondays from 6:00-8:00 pm in MGB 124 and Fridays from 3:00-8:00 pm in MGB 122.

Online appointments for Biological Sciences, Chemistry, Ocean & Earth Sciences, and Psychology can be scheduled with the WOnline website at <https://odu.mywconline.net/>

For questions or concerns please e-mail us at stcinfo@odu.edu.

Please see the attached flyer and distribute it to your students so that they can find the right tutoring resource.

Thank you!

Gail

Upcoming Events:

- Science Fridays: 4 pm in PSB 1100
 - Oct. 14: Jiangwen Sun (CS) & Erin Purcell (Chem & Biochem)
 - Nov. 11: Sandipan Dutta (Math & Stat) & Jeff Olenick (Psych)
