Dear Colleagues:

This week I have additional College of Sciences award winners to announce!

- **Moskov Amaryan** (Physics) was designated as an Eminent Scholar
- **David Burdige** (OES) and **Jean Delayen** (Physics) received the Faculty Research, Scholarship, and Creative Achievement Awards
- **Sampath Jayarathna** (Computer Science) won the Provost's Award for Outstanding Undergraduate Research Faculty Mentor
- **Cathy Lau-Barraco** (Psychology) was the Doctoral Mentoring Award Winner from the College of Sciences
- **Lee Golembiewski** (Psychology) was awarded the Outstanding Graduate Teaching Assistant, Classroom Award
- **Emily Hardy** (Chemistry) received the Kate Broderick Award for Excellence in Inclusive Education
- **Christine Woods** (College of Sciences) received the Excellence in Advising, New Advisor Role award
- **Cassie Glenn** (Psychology) received the John Broderick Diversity Champion Award

If I have overlooked any university award winners, please let me know.

### **COSURP:**

The Department of Ocean and Earth Sciences has been selected to receive a College of Sciences Undergraduate Research Program award of \$15,000. The department ran a very successful program last year under the direction of Victoria Hill and will build on that success in the coming year. Congratulations to OES!!

Please join us for the **College of Sciences Awards Ceremony: Tuesday April 25, MGB 102 at 3 pm**. There will be a reception after the ceremony.

Best Regards

Gail

### **Upcoming Events and Deadlines:**

- College of Sciences Awards ceremony, Tues April 25 at 3pm in MGB 102
- Kaplan Orchid Conservatory display house closing to visitors May 26
