

ATTENTION: PRE-MEDS!

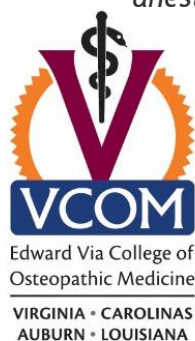

Old Dominion University & VCOM have an Articulation Agreement which guarantees an interview to qualified Old Dominion University students.

With over 18,000 applications and 9,964 applicants last year, getting an interview at our medical school is a BIG DEAL. Because we value the preparation that Old Dominion University provides, we have a special agreement with your school.

If you meet these requirements, you will be offered an interview under this Agreement:

- Complete the majority of pre-requisite courses at Old Dominion University. If you are a transfer student, you must have completed at least 30 credits from Old Dominion University at the time of application and get VCOM approval as a transfer student to participate
- Complete the MCAT with a competitive score
- Present both a science and overall GPA of 3.5 or greater
- Be a U.S. Citizen or permanent resident of the United States
- Present health and community service volunteer hours (*typically 40 of each is required prior to interviewing and 80 by matriculation. Due to COVID, we will make appropriate adjustments*)
- Present a positive endorsement from your Old Dominion University designated advisor(s)
- Have no significant professional or conduct violations at your school and no legal charges or convictions, etc.
- Meet all general admissions requirements: <https://www.vcom.edu/admissions/applying/requirements> and other conditions set forth in the formal agreement
- **For more information about this partnership and to learn about getting an endorsement to participate, contact Reneldo Randall, rrandall@odu.edu.**

VCOM is a four-year medical school offering the Doctor of Osteopathic Medicine (DO) degree. Our physician graduates are licensed in every state to practice the full scope of medicine and they obtain residencies in every field of medicine from primary care to neurosurgery, emergency medicine, anesthesia, and all others. VCOM is the largest medical school in the southeast with campuses in Virginia, South Carolina, Alabama, and Louisiana.
