2024-2025 Old Dominion University Catalog Bachelor of Science in Computer Science (w/ VCCS Equivalencies)

Sample four year curriculum with a suggested ordering of courses. Students may re-order as needed.

* Indicates not automatically waived with transferrable associates degree, C or better required for transfer. Courses in green are waived by the completion of an Associate degree (Not eligible for Applied Associate degrees). AS in Computer Science recommended for ease of transfer.

Technical Elective** Elective CS course Elective CS course Elective CS course

Philosophy and Ethics Transfer Equivalency Guide 300-/400-level course (Option D)

Language and Culture may be waived, see ODU catalog.

Computer Science students may choose their electives to obtain an emphasis in data science, machine learning, databases, networking, web programming, systems programming, game programming and cybersecurity. See catalog for specific coursework.

300-/400-level course (Option D)

ENGL 110C

CS 270

Note: Upper division general education (minor) has other options, see catalog for requirements.

Computer Science majors must earn a grade of C or better in all (non-elective) computer science courses required for the major and in all computer science prerequisite courses. A minimum of 9 credits of upper-level (300/400) computer science elective courses must be completed in addition to the required courses.

Requirements for graduation include a minimum cumulative grade point average of 2.00 overall and in the major, a grade of C or better in all courses required for the major, including prerequisite courses, 120 credit hours, which must include both a minimum of 30 credit hours overall and 12 credit hours in upper-level courses in the major program from Old Dominion University, completion of ENGL 110C, ENGL 211C or 221C or 231C, and a writing intensive (W) course in the major with a grade of C or better, and completion of Senior Assessment.

This four-year plan is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

^{**}Please refer to the catalog and consult with your advisor for appropriate coursework.

^{***} For eligible courses, please see catalog.
