COS strategic plan 24-29 with 2024 implementation.pdf;

Dear Colleagues,

The final version of the COS Strategic Plan is attached along with the 2024 implementation plan for each goal. We will work hard to accomplish the tasks we have laid out for 2024. Each fall we will develop a new implementation plan for the following calendar year. You will see that some goals have implementation items for future years, but we will reevaluate these plans each fall. Please let me know if you have any questions or suggestions.

The attached is not formatted in final form. Nevertheless, we wanted to get the plan to you so you can see the outcome of the planning we have done over the past year.

Best Regards,

Gail
