COSURP AWARDS ANNOUNCEMENT 2024.pdf; COSURP COVER SHEET 2024.docx;

Dear Colleagues,

The **College of Sciences Undergraduate Research Program** (COSURP) provides funds of up to \$15,000 to a department to support the expansion and improvement of undergraduate research opportunities in that department. Each department may submit one proposal. The deadline for applying for these funds is April 9, 2024. The Undergraduate Research Committee will make recommendations on awards. We have enough funding to make two awards. Previous awards have been made to the Department of Biological Sciences, the Department of Computer Science, the Physics Department, and the Department of Ocean and Earth Sciences. Please contact Des Cook if you have any questions about COSURP.

Best Regards,
Gail
