

AY24-26-C

At IMO 10.16.2024 -with one word change== submit changed to pass

GAC Approved 9.12.2024

To be placed in [Graduate Catalog under](#) *Graduate Admission*

Background Checks

Programs may require students to pass a background check after admission but before matriculation or prior to placements in clinical or certain other educational settings. Students are responsible for consulting with their graduate program directors and program handbooks for specific requirements.
