

OPEN HOUSE

The Maritime Engineering and Environmental Studies Academy (MEESA) is a college partnership program designed to develop future leaders in the maritime industries through hands-on, experiential learning. MEESA will open to 11th-grade students next school year! Are you ready to dive in?

When: Wednesday, January 29th 5:30-7:30

**Where: ODU Brooks Crossing Innovation Lab, 550 30th St, Suite 101,
Newport News, VA**

- **Meet Our School Leaders**
 - Learn about our unique curriculum that combines engineering, technology, supply chain and logistics, and environmental studies with maritime industry expertise.
- **Explore the iLab Facilities**
 - Tour the iLab and see the technology and equipment students will use for experiential learning in marine engineering, environmental sustainability, and logistics.
- **Hands-On Demonstrations**
 - Participate in hands-on maritime activities!
- **Learn About Career Pathways**
 - Our industry partners will be out to discuss the vast career opportunities in the maritime, environmental, and engineering sectors.
- **Admission Information & How to Apply**
 - Get details on the application process and what it takes to join our growing community of innovators.

This is a fantastic opportunity to see how MEESA is empowering the next generation of maritime engineers and environmental leaders!

- **Where is MEESA?:** MEESA is located in the ODU Brooks Crossing Innovation Lab in the Southeast Newport News community. Transportation for NNPS students is provided!
- **Who should apply?:** Current 10th graders that live in Virginia.
- **When should I apply?:** Applications are available NOW! Start your application here: sbo.nn.k12.va.us/magnet
- **Questions?** Reach out to our director Tirzah Sarro-Jaynes at tirzah.sarro@nn.k12.va.us
