

Physics Department
Senior Thesis (Phys489W/490W/499W)
Form ST02: Senior Thesis Project Summary Form.
Updated: September 25

Instructions: This form is to be completed by Physics students who are registered for Senior Thesis courses Physics 489W (1CH) or Physics 499W (3CH). It is a very brief and general description of the scope of the project being undertaken by the student. The information will be used to update the Physics Department website on Senior Thesis activities each semester. A copy of this form must be sent to the Thesis Advisor as well as the Examination Committee Members and the Senior Thesis Coordinator by the end of the second week of semester.
