

SUPPORT FOR FAMILY CAREGIVERS — ALL IN ONE PLACE

Caregiving comes with legal, financial, and emotional decisions. Your Legal Resources membership provides tools and support to help.

Included with Your Legal Resources Membership

We understand the legal implications connected with caregiving services, impacting multiple generations. To address this need, we've added new plan resources to help support the caregivers within our member population.

ESSENTIAL DOCUMENTS FOR CAREGIVERS

Access helpful legal and planning documents directly in your member portal, including a care management planner, caregiver legal guide, estate letter, wills, trusts, powers of attorney, medical directives, and more.

CONVERSATIONS FOR CAREGIVERS SEMINAR SERIES

Learn practical strategies for navigating caregiving challenges through expert-led seminars covering benefit programs, identity protection, care planning, hospice and palliative care, and more.

PROFESSIONAL CARE SUPPORT THROUGH CareLinx

Connect with a nationwide network of 500,000+ pre-vetted caregivers, preferred member pricing, dedicated Care Advisor support, and free online classes for both professional and family caregivers.

- >> Nationwide network of over 500,000 pre-vetted professional caregivers
- >> Preferred member pricing for CareLinx Basic and Premium memberships.
- >> Dedicated Care Advisor to assist with caregiver matching and other support services
- >> Free online classes for professional and non-professional caregivers

Taking care of others starts with having the right support.
