I. Call to Order – Committee Chair D.R. (Rick) Wyatt called the meeting to order at 2:28 p.m.

Approval of Minutes – Upon a motion made by Rector P. Murry Pitts and seconded by Claire Wulf Winiarek, Ph.D., the minutes of the Audit, Compliance, Human Resources, and Governance Committee meeting held on June 11, 2026 as presented were approved by all members present and voting.

II. Report from Vice President for Audit, Compliance, and Risk Management – LaToya Jordan

- A. Compliance Department Update – Vice President Jordan shared with the Committee the Compliance Department continues to evolve as an advisory focused model as opposed to being enforcement focused. In alignment with this model, the department updated its mission statement to emphasize the provision of guidance, coordination, and resources to help compliance owners manage their responsibilities while promoting institution-wide regulatory awareness. Through the University Compliance Network and retargeted stakeholder engagement, the department is identifying opportunities to provide digitized, value-added support, that increases awareness of institutional wide compliance requirements and emerging risks, especially for cross-divisional compliance activities.
- B. Audit Plan Update – Active and Upcoming Engagements and Fiscal Year 2027 Workplan Proposal – Vice President Jordan provided an update of the remaining engagements included in the 2026 work plan, pointing out that University Audit completed four engagements since the April committee meeting and have five that are currently underway. There are also three engagements that will begin during the months of July and August and will correspondingly be included as continued engagements in the FY27 Workplan Proposal.

Next, Vice President Jordan presented the FY27 Workplan Proposal, focusing on engagements by applicable category and the related hour allocation for each category. The four main categories include: assurance engagements, advisory and institutional support services, continuous risk monitoring analytics, and administrative and professional development. The proposed engagements were informed by several factors, including: results from the institutional risk assessment process; input received from leadership and stakeholders across the University; awareness of emerging risks and trends affecting higher education institutions across the Commonwealth; and the results of both internal and external audit activities. The proposed plan includes a mix of enterprise-wide process reviews, technology and compliance-focused engagements,

operational audits, and broader departmental and college-level reviews. The plan reflects an estimated 7,120 hours for completion.

Chair Wyatt shared the resolution with the Committee to approve the FY27 Workplan Proposal; Rector Pitts so moved, and the motion was duly seconded. The resolution was approved by all Committee members present.

- C. Audit Plan Update – Status of Audit Corrective Actions and Fiscal Year 2025 Financial Statement Audit – As of June 2, 2026, there are 25 open action items, which is an increase from the 21 outstanding as of April. This is related to the issuance of four reports since the last report date, each of which contained at least one recommendation. Despite the increase, Vice President Jordan shared that two action items closed and those remaining reflect some level of progression towards completion, demonstrating management's commitment to a strong control environment. University Audit also launched its Open Actions Dashboard for executive leadership, which will further support awareness and insight into outstanding action items and their progression to full remediation over time.

Vice President Jordan also provided a brief update on the status of the University's Fiscal Year 2025 financial statement audit, which is still in progress by the Auditor of Public Accounts (APA). Per communication with the Project Manager of the engagement, the audit remains ongoing, primarily due to unique complexities associated with Fiscal Year 2025 being the first audit post integration. APA expects the audit will conclude in July and plans to issue the related internal control report in August. APA will present the results of the audit to the Board during the September Committee meeting.

- D. Audit Plan Update – Completed Engagements – Vice President Jordan briefly discussed results of a recently completed advisory review of procurements associated with the University's Innovation Fund. The purpose of the engagement was to provide an assessment of expenditures of the Fund and adherence to applicable University and Commonwealth procurement requirements. Based on the procedures performed, University Audit did not identify any matters that would indicate the expenditures subject to review were inconsistent with the objectives of the Fund. Further, while opportunities to enhance procurement documentation in limited areas was identified, University Audit did not identify information that would suggest procurement activities associated with the expenditures deviated from established University procurement protocols.

Vice President Jordan then shared details on the four completed assurance engagements: Environmental Health and Safety, Conflicts of Interests - Statement of Economic Interest, Indigent Care Apportionment Plan Administration, and Medicat Electronic Health Records System.

- E. Closed Session – Vice Chair Robert S. Corn moved for the meeting to be recessed in Closed Session to discuss specific cybersecurity threats and vulnerabilities because

discussion in an open meeting would jeopardize the safety or the security of the University's information technology system, or software programs as permitted by Code of Virginia Section 2.2-3711(A)(19). The motion was duly seconded and approved by all members present and voting.

In addition to the Committee members in attendance, the following individuals were in attendance during the closed session: President Hemphill, Susan Allen, Dennis M. Ellmer, Charlene A. Moring, Esq., Vice President Alonzo Brandon, Ashleigh Boothe, Executive Vice President and Chief Operating Officer Ashley Schumaker, Executive Vice President Alfred Abuhamad, M.D., Stacey Purcell, Esq., Kirk Dewyea, Kate Rhodes, Austin Agho, Ph.D., Al Wilson, Esq., Annamarie Ginder, Esq., Vice President Nina Rodriguez Gonser, Vice President September Sanderlin, Vice President Brandi Hephner LaBanc, Vice President Kimberly Osborne, Provost and Executive Vice President Brian Payne, Ph.D., Athletic Director Wood Selig, Ed.D., and Vice President and Chief Financial Officer Chad Reed.

- F. Reconvene in Open Session and FOIA Certification – At the conclusion of Closed Session, Chair Wyatt reconvened the meeting and the following Freedom of Information Act Certification was read: “Any person who believes that the Committee discussed items, which were not specifically exempted by law or not included in the motion, must now state where they believe there was a departure from the law or a departure in the discussion of matters other than that stated in the motion convening the closed session. I shall now take a roll call vote of the Committee. As your name is called, if you agree only lawfully exempted matters stated in the motion convening the closed session were discussed in closed session say “aye” and if you disagree say “nay.” The certification was approved by roll call vote (*Ayes: Mr. Wyatt, Mr. Corn, Mr. Pitts, Mr. Middleton, Mr. Mitchum, Mr. Plum, Dr. Wulf Winiarek; Nays: None*).

III. Report from Vice President for Talent Management and Culture – September Sanderlin

- A. Administrative and Professional Faculty Appointments – Vice President September Sanderlin shared with the Committee a recommendation to approve thirty-six Administrative and Professional Faculty appointments, which were provided for the Committee's review in the materials. Upon a motion from E.G. (Rudy) Middleton, III, and seconded by Dr. Wulf Winiarek, the Committee unanimously approved the appointments by all members present and voting.

IV. Review and Approval of Policies – Executive Vice President for Administration and Chief Operating Officer Ashley Schumaker and University Counsel Allen Wilson, Esq.

- A. Review and Approve Board Policies – 15 Day Notice May 27, 2026 – Executive Vice President for Administration and Chief Operating Officer Schumaker shared with the Committee the Board Policies that were included in their materials for 15-day notice. This included integration policy updates, noting that subcommittees and working groups have spent the bulk of their time reviewing faculty-related policies, including tenure, grievance, and promotion to ensure Southern Association of Colleges and

Schools Commission on Colleges compliance. Following a May 27, 2026 deadline for review and feedback on the first set of policies, the current phase involves a "lift and shift" of foundational policies from Eastern Virginia Medical School to Old Dominion University as the integration is finalized two years later. It was emphasized that a major, campus-wide operational effort is underway to ensure University alignment and compliance, keeping pace with the commitment to merge the two existing faculty handbooks into one unified handbook within two years. To remain compliant, the approved handbook and website updates must be finalized before the July 1, 2026, deadline. The motion to approve the integration policy updates as submitted was made by Rector Pitts, seconded by Rudy Middleton, III, and unanimously approved.

- B. Repeal EVMS Policies 1701 through 1710 – Executive Vice President for Administration and Chief Operating Officer Schumaker shared, upon Committee approval today, a formal request will be made to the full Board of Visitors to repeal the existing interim EVMS policies 1701 through 1710. A motion to repeal the legacy EVMS interim policies was made by P. Murry Pitts and approved by all in favor.

V. Review and Approve – Notice and Discussed at April 23, 2026 Committee Meeting – Executive Vice President for Administration and Chief Operating Officer, Ashley Schumaker

- A. Executive Vice President for Administration and Chief Operating Officer Schumaker provided the Committee a brief overview of proposed changes to Board Policies 1103, 1106, and 1110. They were previously noticed and discussed during the Audit, Compliance, Human Resources, and Governance Committee on April 23. The proposed changes are included in the OnBoard materials. The Committee unanimously approved the updates made to Board of Visitors policies 1103, 1106, and 1110 and they will be presented for the Board's approval at Friday's meeting.
- B. Lastly, Executive Vice President Schumaker presented the required reaffirmation of Board Policy 1107. Virginia Code requires that the Board adopt a remote policy annually. The remote participation policy is a component of Board Policy 1107. No notice was required as no changes are being made. The Committee unanimously approved the reaffirmation of Board of Visitors Policy 1107 and it will be presented for the Board's approval at Friday's meeting.

VI. Adjournment – There being no further business, the meeting adjourned at 3:01 p.m.
