Dear Colleagues:

Please join us tomorrow, **Tuesday April 26 at 3 pm in MGB 102 for the College of Sciences Awards Ceremony**. In addition to the presentation of College Awards, the Department Chairs will present some of their departmental awards. The ceremony will last approximately one hour and will be followed by a reception.

On Wednesday evening President Hemphill hosted a dinner to celebrate the winners of the 2021-2022 Faculty & Administrative Awards. Please join me in congratulating recipients from the College of Sciences:

- Alumni Association New Faculty Award – **Jian Wu** (Computer Science)
- Faculty Research, Scholarship and Creative Achievement Award – **Pat Hatcher** (Chemistry and Biochemistry)
- Teaching with Technology Award – **Soad Ibrahim** (Computer Science)
- Doctoral Mentoring Award, College of Sciences – **Sebastian Kuhn** (Physics)
- Outstanding Graduate Teaching Assistant Award – **Kristen Egger** (Psychology)
- Kate Broderick Award for Excellence in Inclusive Education – **Thomas Kennedy** and **Steven Zeil** (Computer Science)
- J. Worth Pickering Administrator of the Year Award – **Reneldo Randall** (College of Sciences)

Finally, I was just notified of another University-wide award recipient from the College of Sciences:

- Provost's Award for Outstanding Undergraduate Researcher – **Lauren Butler** (Psychology)

Congratulations to all the award recipients! I appreciate the time and energy that has gone into all the nominations from the College this year.

See you Tuesday,
Gail
