Agenda

1. Changing mask policy
 - Suggestions
 - Maintain the status quo until the end of the semester
 - Students enrolled in classes with the knowledge that vaccines and masks were mandated
 - If we are going to change the policy, we will need to provide accommodations for students to go to an online option
 - Keep mandate in classrooms and healthcare areas but let it be optional in other better ventilated spaces
 - IF masks become optional across campus, we ask that faculty who continue to require masks in their own classrooms be supported by the administration
2. Dr. Walker situation
 - At the heart of the issue is a lack of representation for Dr. Walker during the process
