Faculty Senate Issue Log Form

Title-of-Issue: There is a needed clarification on the college level full professor promotion committee in substituted member case.

Description: There is a lack of clarity on the statement: a full professor from the departmental promotion committee for that candidate (convened as described in section C.1. and C.2. above) shall be elected to serve as its representative only for the duration of the deliberations on that specific candidate.

It was interpreted that this substituted full profess can only be allowed to perform the deliberations on that specific candidate from the home department and has been excluded in the deliberation of other candidate(s) in the college lever.

Rationale: Suggest Change as:

Only faculty holding the rank of full professor are eligible to join the deliberations and the vote on candidates for promotion to full professor. If the home department of a candidate for promotion to full professor has no full professor representing it on the college committee, a full professor from the departmental promotion committee for that candidate (convened as described in section C.1. and C.2. above) shall be elected to serve as its representative - for the duration of the deliberations on that specific candidate as well as the other full professor promotion cases in the college committee. In any case, the representative from a promotion candidate's department will participate in deliberations in the candidate's case but will not cast a vote.
