Title-of-Issue: Promotion from Lecturer to Senior Lecturer review committee

Description: In "Evaluation of Lecturers, Senior Lecturers, and Master Lecturers and Promotion of Lecturers and Senior Lecturers" Part A2b should include "Master Lecturer" to read as such: The department promotion and tenure committee and master lecturers review the credentials, vote, and make a recommendation.

Rationale: This would make this policy consistent with the promotion of Senior to Master Lecturer Part B2b that includes master lecturer in review committee.
