

canvas Checklist

Are you ready to migrate to Canvas?

Read the checklist and make sure you are aware of the main features of Canvas to have a great and smooth start to the semester!

Task List		<input checked="" type="checkbox"/>
1	Sign in to your Canvas account using ODU Midas ID and Password	<input type="checkbox"/>
2	Explore Dashboard: Go to Global Navigation Bar, Courses, and Announcements	<input type="checkbox"/>
3	Update your Settings: set language, add pronouns, and make sure you have set the right time zone	<input type="checkbox"/>
4	Set Notifications: Customize course notifications to receive up to date information via communication channels you prefer	<input type="checkbox"/>
5	View Announcements: Find the Announcements tab and read any announcements your professors have posted	<input type="checkbox"/>
6	Check Assignments: Get to know your first assignments, due dates and try filtering them by course name	<input type="checkbox"/>
7	Explore the Grades page: Arrange grades by due date, assignment group, module, and title	<input type="checkbox"/>
8	Access Discussion Board: Check out the features of Discussion Board	<input type="checkbox"/>
9	Send an e-mail: Get familiarized with Canvas Inbox and send a message to one of your classmates	<input type="checkbox"/>
10	Download the Student Canvas App: Access all of your favorited courses using your mobile device	<input type="checkbox"/>
