

OLD DOMINION
UNIVERSITY

COLLEGE OF HEALTH SCIENCES DENTAL HYGIENE

NAMING OPPORTUNITIES

The new Health Sciences building will be located at Monarch Way and 41st Street in Norfolk and will have 3 floors and 126,000 square feet. It will house our Sofia and David Konikoff Dental Hygiene Care Facility which provides oral preventive care services to over 1,860 patients and approximately \$80,000 in donated services.

The Sofia and David Konikoff Dental Hygiene Care Facility will increase from 30 to 36 dental cubicles. Each cubicle will be 165 square feet and contain a patient treatment chair and related operatory equipment including computer technology to house digital radiography and use of the electronic healthcare records.

Leaving Your Legacy Inside the Building

Naming opportunities in our new Health Sciences building will enhance the educational value of the university and enable you to have an enduring place in the building.

Imagine seeing your name or a loved one's name on one of our dental hygiene cubicles. We are excited to share that for a gift of \$5,000 you can name one of the dental cubicles in our new building. To make your gift today, please visit give2odu.com/dhcubicle

For more information on how you can get involved in this transformative project for the College of Health Sciences.
