# Classroom Styles
Desk Style

The majority of classrooms at ODU are desk style classrooms, where the computer and media equipment are housed inside of a desk at the front of the class. The computers are equipped with Windows 7 and a standard software suite. Workstations are connected to campus WiFi, and have a master power switch that should always be on.

Classroom Controls is used to control the projector and speakers. The blue box on the desk allows easy access to classroom equipment, including power outlets, USB and audio input, HDMI input in HD-enabled classrooms, and more.
