### **Website Privacy**

The following information explains the Internet Privacy Policy which the Hanover County School Board has adopted for its website (web pages at addresses beginning with "http://hanover.k12.va.us"). The following is intended to explain the School Board's current Internet privacy practices, but shall not be construed as a contractual promise. The School Board reserves the right to amend its Internet Privacy Policy Statement at any time without notice.

## **Legal Requirements**

The School Board protects its records in accordance with its obligations as defined by applicable Virginia statutes, including, but not limited to, the "Virginia Privacy Protection Act of 1976", the "Virginia Freedom of Information Act", and by applicable federal laws.

## **Links to Other Websites**

The Hanover County School Board website may contain links to other public or private entities' websites, whose privacy practices the School Board does not control.

## **Information We Collect**

When you access the Hanover County School Board website, the routing or client information, and the essential and nonessential technical information listed below, is automatically collected. No other information is collected through the School Board website except when you deliberately decide to send it to the School Board website (for example, by clicking on a link to send the School Board an email). The information you might choose to send the School Board is listed below as "optional information."

*Routing, or client, information:* the Internet domain and Internet address of the computer you are using.

*Essential technical information:* identification of the page or service you are requesting, type of browser and operating system you are using, and the date and time of access.

*Nonessential technical information:* the Internet address of the website from which you linked directly to the School Board website.

*Optional information:* when you send the School Board an e-mail, your name, e-mail address, and the content of your e-mail; when you fill out online forms, all the data you choose to fill in or confirm.

*Cookies:* The Hanover County School Board website does not place any "cookies" on your computer.

## **How the Collected Information is Used**

Routing information is used to route the requested web page to your computer for viewing. The School Board sends the requested web page and the routing information to the School Board Internet service provider or other entities involved in transmitting the requested page to you. The School Board does not control the privacy practices of those entities. Essential and nonessential technical information helps the School Board respond to your request in an appropriate format and helps the School Board plan website improvements.

Optional information enables the School Board to provide services or information tailored more specifically to your needs or to forward your message or inquiry to another entity that is better able to do so, and also allows the School Board to plan website improvements.

The School Board may keep its information indefinitely, but ordinarily deletes the transaction routing information from its computer within 60 days after the web page is transmitted and does not try to obtain any information to link it to the individuals who browse the website. However, on rare occasions when a "hacker" attempts to breach computer security, logs of routing information are retained to permit a security investigation and in such cases may be forwarded together with any other relevant information in the School Board's possession to law enforcement agencies. The School Board uses this transaction routing information primarily in a statistical summary type format to assess site content and server performance.

Optional information is retained in accordance with the records retention schedules at the Library of Virginia.

Under the "Virginia Freedom of Information Act", any records in the School Board's possession at the time of a "Freedom of Information Request" might be subject to inspection by, or disclosure to, members of the public. However, all identifiable confidential/personal information will be removed prior to releasing the routing information.

## **Choice to Provide Information**

There is no legal requirement for you to provide any information at the Hanover County School Board website. However, the website will not work without routing information and the essential technical information. Failure of your browser to provide nonessential technical information will not prevent your use of the website, but may prevent certain features from working. Failure to provide optional information will mean that the particular feature or service associated with that part of the web page will not be available to you.

## **POLICY 5-2.4 CRIMINAL BACKGROUND CHECKS AND CONVICTIONS**

The Hanover County School Board will not hire or continue the employment of any part-time, full-time, temporary, hourly, or other employee who is deemed unsuited for service by reason of criminal conviction.

### **Applicants For Pre-Employment**

Individuals applying for employment in the Hanover County Public Schools for any position shall be required to disclose prior convictions of law other than minor traffic violations or juvenile offenses. The Hanover County Public Schools' office of human resources may verify information applicants provide by checking work history and personal references or by making criminal record inquiries to determine the applicant's acceptability for employment. Where a prior conviction is ascertained, the school officials will consider the nature of the offense, the date of the offense, and the relationship between the offense and the position for which application is being made.

Applicants for any position in the School Division must certify that they have not been convicted of: a felony or a misdemeanor involving (i) sexual assault as established in Article 7 (§18.2-61 et seq.) of Chapter 4 of Title 18.2 of the Code of Virginia, (ii) obscenity and related offenses as established in Article 5 (§18.2-372 et seq.) of Chapter 8 of Title 18.2, (iii) drugs as established in Article 1 (§18.2-247 et seq.) of Chapter 7 of Title 18.2, (iv) moral turpitude, or (v) the physical or sexual abuse or neglect of a child; or an equivalent offense in another state. If an applicant is denied employment because of information appearing on his criminal history record, the School Board shall provide a copy of the information provided by the Central Criminal Records Exchange to the applicant.

The School Board shall require, as a condition of employment, that any applicant who is offered or accepts employment requiring direct contact with students, whether full-time or part-time, permanent or temporary, provide written consent and the necessary personal information for the School Board to obtain a search of the registry of founded complaints of child abuse and neglect. The registry is maintained by the Virginia Department of Social Services. The School Board shall ensure that all such searches are requested in conformance with the regulations of the Board of Social Services. The applicant may be required to pay the cost of the search at the discretion of the School Board. From such funds as may be available for this purpose, however, the School Board may pay for the search. In addition, where the applicant has resided in another state within the last five years, the applicant must provide written consent to the School Board to obtain information from each relevant state as to whether the applicant was the subject of a founded complaint of child abuse and neglect in each state. All new employees are required to submit to a fingerprinting/criminal background check during New Employee Orientation.

### **Post-Employment Convictions**

Employees may be placed on probation or suspended in accordance with Policies 5-6.1 and 5-6.2 if convicted of a criminal offense listed above, including conviction for Driving Under the Influence of drugs or alcohol. Where a conviction relates to the suitability of the employee to perform duties in a particular position, such employee may be dismissed.

If a current employee is suspended or dismissed because of information appearing on his criminal history record, the School Board shall provide a copy of the information provided by the Central Criminal Records Exchange to the employee.

The division superintendent shall inform the School Board of any notification of arrest of a School Board employee received pursuant to Virginia Code §19.2-83.1. The School Board shall require such employee, whether full-time, part-time, temporary or other, to submit to fingerprinting and to provide personal descriptive information to be forwarded along with the employee's fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigations for the purpose of obtaining criminal history record information regarding such employee.
