PH.D. COMMUNITY COLLEGE LEADERSHIP

54-Credit Program

This program has the convenience of an **executive format online delivery** with the opportunity of high-touch summer in-person experiences with dedicated faculty to help support high-quality dissertations with a **commitment to student completion**. Students have the opportunity to interact with the most impactful leaders and policymakers in the U.S. while conducting research with guidance and mentorship of dedicated faculty. The program can be **completed in as fast as 3 1/2 years**. Students have the ability to complete two courses in summer, fall and spring while also working on the dissertation proposal.

During fall and spring students complete their courses online and have the opportunity to attend a **one week Summer Institute** where they work on two courses, attend a lecture series highlighting a national leader, and interact with a nationally recognized visiting scholar. The **15-credit hour graduate certificate** (fully stacks into Ph.D.) is a great way to start immediately explore doctoral courses before applying to the Ph.D.
