Gender		

5. The next page allows you to select your curriculum. Options for multiple courses exist. You only need to select "**Responsible Conduct of Research**" at this time. If at a later date you need to complete one of the other training courses, you can modify your profile.

* What course you need to take?		
Choose all that apply		
Human Subject Protection		
Einancial Conflicts of Interest (FCOI)		
Responsible Conduct of Research		
HEALTH INFORMATION PRIVACY and SECURITY (This is an OPTIONAL course)		
CITI Animal Care and Use		
Biosafety-Biosecurity		
Export Controls		

6. After selecting RCR training, you can choose the course that is most applicable to you. RCR courses are tailored for six different areas: Biomedical, Social and Behavioral, Physical Science, Humanities, Engineers, and Administrators.

* What is Res	ponsible Conduct of Research course that you need to take?
Choose one ans	wer
O Biomedical Re	esponsible Conduct of Research
Social and Bel	havioral Responsible Conduct of Research
Physical Scien	ice Responsible Conduct of Research
O Humanities Re	esponsible Conduct of Research
O Responsible C	Ionduct of Research for Engineers
O Responsible C	Ionduct of Research for Administrators

7. Your final selection screen will confirm that your registration with Old Dominion University. Select "Finalize Registration" and continue.

8. You have now been returned to the Main Menu page and your course should be available. To begin the RCR course, click on the blue "View Courses" button to the right of "Old Dominion University. On the page that loads, you will see your Courses Ready to Begin. Click "Start Now" next to your course. This will bring you to the module listings. You must complete the "Integrity Assurance Statement" and the introduction module before taking the topic specific modules.

You will see a number of modules listed as optional. While these modules are useful, you are not required to complete any of them in order to satisfy the RCR training requirement. Once you have completed all the required modules, you will be able to print out a completion certificate on the "CITI RCR Course Completion Page". Finishing this final module will also notify ODU that you have satisfied the training requirement.
