

# Guide to using MOVE (Monarch Virtual Environment)

## Accessing GIS on MOVE

Log in to the Monarch Virtual Environment (MOVE) using your web browser and gain access to a virtual ODU computer with GIS software. All you need is a MIDAS account, an internet connection and an HTML5 browser.

## Instructions

1. Go to <https://move.odu.edu/>
2. Sign in with your ODU email:

A screenshot of the Microsoft sign-in interface. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed. Underneath is a text input field with the placeholder text "Email or phone". Below the input field is a link that says "Can't access your account?". At the bottom right of the main sign-in area is a blue button labeled "Next". At the bottom of the entire screen is a section titled "Sign-in options" with a key icon to its left.

### 3. Enter your MIDAS Password:
